

Lust auf Veränderung?

Anspruchsvolle Arzneimittel entwickeln und
produzieren sich nicht von alleine.

Intelligent Pharmaceuticals

Birkerfeld 11 83627 Warngau

AMW GmbH is a specialized pharmaceutical company based in Warngau, southeast of Munich in Germany. We are market leaders in developing and manufacturing biodegradable slow-release drug delivery systems, realized through a renowned expertise in galenical development.

We are looking for you as a reliable and motivated

Project Manager for Pharmaceutical Development (m/f/d)

Your responsibilities

As a Project Manager (m/f/d) in Pharmaceutical Development you will independently plan and manage internal and external product developments, from conception through development and clinical studies to licensing. Your tasks include coordination and close collaboration with external partners as well as various internal departments like Quality Control, Manufacturing, Clinical Research, Regulatory Affairs and Business Development/Licensing. You will be in constant communication with the head of R&D as well as the development partners and the customers.

Your profile

- University degree in pharmacy, pharmaceutical sciences, chemistry, medicine
- or any related field
- PhD preferred
- Experience in pharmaceutical technology and drug analysis, experience in the conception and manufacturing of parenteral drugs is a plus
- Knowledge of biodegradable materials is a plus
- Very good knowledge of the GMP- and regulatory settings of the pharmaceutical industry
- Proven experience in managing pharmaceutical/biotechnological projects
- Creative mindset, open for innovation, willingness to learn
- Teamplayer with excellent communication skills, decision-making ability
- Good written and spoken English

Your prospects

- A challenging task in a fast-growing, international pharmaceutical company
- A friendly and cooperative working atmosphere in the team
- Be part of a highly competent and motivated team
- Flat hierarchies and short decision-making paths
- Numerous benefits such as flexible working hours, support with company pension schemes, job bike, free lunch and fresh fruit, as well as individual training opportunities

Thank you for your interest!
